This Final Exam is available to complete on **Friday, December 5th from 2 pm to 5 pm EST** (or an alternative time).

Please select and **respond to two (2) questions below, one from Section A and one from Section B**. When finished, upload a single file (containing both answers) to this submission page. This file will be analyzed by Turnitin for academic integrity. The exam is graded out of **20 points:** 8 points per answer, and 4 points for citations which demonstrate knowledge of readings.

Note: A 15-minute grace period is added to the exam's due date in case of technical difficulties (thus, students will see the availability of the exam listed as **15 minutes after the scheduled due date**). After
