Study Guide – Final Exam IDSB04 Fall 2025

1) **General Points** regarding the IDSB04 Final Exam

- **Day/Time:** Thursday December 11, 2025, 2-4:30pm, KW 170

The final is **closed book**. Notes, study sheets, books, or any other aids **will NOT be allowed**. According to university regulations, students are **not allowed to use unauthorized electronic devices during exams**. These include but are not limited to: smartphones and other cellular devices, tablets, laptops, micro-cameras, headphones, earbuds, programmable calculators, MP3 players (e.g. iPods), etc.

- On the exam you need to respond to **17** (out of a choice of approximately 25) **short answer questions** (each worth 5 points) and **1** (out of four or five options) **essay question** (worth 15 points).

- There will be **NO EXTRA CREDIT** on the exam. Please do **not** answer more than the requested number of questions.

You should concentrate your preparation on the second half of the course and the textbook **(Chapters 8-14),** but the exam will also cover key issues/concepts from **Chapters 1-7** (+ Introduction)

The questions may also draw from the short supplementary readings that are posted on Quercus many weeks.
