MAT237 Multivariable Calculus with Proofs

Term Test 1

Released Friday November 6, 2020 at 13:00 ET
Submit Saturday November 7, 2020 by 13:00 ET

Instructions

Please read the Term Test 1 FAQ for details on submission policies, authorized resources, rules of conduct, how to ask a question, test announcements, and more. You were expected to read them in detail in advance of the test.

- **Submissions are only accepted by Gradescope**. Do not send anything by email. Late submissions are not accepted under any circumstance. Remember you can resubmit anytime before the deadline.
- **Submit your solutions using only this template PDF.** You will submit a single PDF with your full written solutions. If your solution is not written using this template PDF (scanned print or digital) then you will receive zero. Organize your work neatly in the space provided.
- **Show your work and justify your steps** on every question, unless otherwise indicated. Put your final answer in the box provided, if necessary.

You must fill out and sign the academic integrity statement below; otherwise, you will receive zero.
