MATA30 Term Test 1 (Practice 1)

The actual term test will be held online via Zoom and Crowdmark.

On the day of the exam (15 minutes before it starts), Crowdmark will email you a link where you will complete the test. Do not share this link as it will be unique to you.

Be sure to have paper to write on.

Your term test will contain some multiple choice, short answer and written problems. Written problems: you write your answer on paper, then scan and upload to Crowdmark.

Most students use a scanning app on their phone to take pictures to upload.

A practice will be available on Crowdmark so that you can get familiar with this system.
