_____	_____	_____
Family Name (as given on U of T card)	Student Number	Email address (@mail.utoronto.ca emails only)

PHY100 Midterm, Fall 2024

Individual

Instructions:

1. Write your name, student number, and email address in the space provided
2. Answer all questions in the space provided. Do not put solutions on the cover of the exam. Do not provide solutions on the very back of the exam.
3. Answer in the space provided. Work is not required for multiple choice questions or T/F questions. You will answer the multiple choice and T/F questions on the bubble sheet. There are no part marks on these types of questions.
4. You are allowed a non-programmable calculator. This should have no communications functions.
5. Turn off your phone and leave it in your backpack or under your seat. Make sure your phone is turned off.
