Full Name (as given on U of T card)	Student Number	Email address (@mail.utoronto.ca emails only)

PHY131 Term Test II – Main Sitting, Fall 2025
(90 minutes)

Permitted Aids:

- A non-communicating and non-programmable calculator
- A **paper** copy of an English translation dictionary

Instructions:

1. Turn off your phone and leave it in your backpack or under your seat.
2. Write your name, student number, and email address in the space provided.
3. Shade in the box to select your answer to the multiple-choice questions. DO NOT circle the squares or write your answer next to the problem.
4. Work is not required for multiple choice questions. There are no part marks for the multiple choice.
5. Show all your work in the written response problems. Part marks are provided.
