SOC204H1F
SUMMER 2025
TAKE-HOME TEST

INSTRUCTIONS

This test assesses your ability to apply, synthesize, and reflect on the methodological concepts and skills you have learned so far in this course. You are expected to demonstrate your understanding of each core qualitative method, your ability to think through ethical dilemmas, and your ability to clearly communicate your ideas in writing.

You may refer to lectures, assigned readings, your own tutorial work, and TA feedback. Do not use outside sources. All work must be your own. Use of generative AI is strictly prohibited and will be treated as academic misconduct.

Your submission should be double-spaced, in 12-point Times New Roman font, with 1” margins on all sides. Use full sentences and paragraphs throughout, and write in the first person where appropriate. Include clear section headings for PART A and PART B. Submit your test as a Word
